YASHDEEP SINGH

Full-Stack Developer | Software Engineer
(587) 999-9011 | yashjagait01@gmail.com | Calgary, AB

SUMMARY

Software Development graduate (SAIT) currently working as a Full-Stack Developer at WebEquator. Experienced in building end-to-end web applications, integrating RESTful APIs, and developing responsive frontends using Angular, TypeScript, and modern backend services. Passionate about clean architecture, system performance, and continuous technical growth.

TECHNICAL SKILLS

- Languages: TypeScript, JavaScript, Python, SQL, HTML5, CSS3/SASS
- Frontend: Angular, RxJS, Responsive Design, State Management
- Backend & APIs: Node.js, RESTful APIs, JSON, Middleware Integration
- Database & Tools: PostgreSQL/SQL, Git, GitHub, Postman, Figma, CI/CD Pipelines
- Methodologies: Agile/Scrum, Code Reviews, Unit Testing

PROFESSIONAL EXPERIENCE

Full-Stack Developer | WebEquator | (Work from home) Dec 2024 – Present

- Build and maintain custom full-stack web applications using Angular, TypeScript, Node.js, and Python to execute complex business logic and client workflows.
- Design, develop, and integrate secure RESTful APIs and middleware to connect web applications with third-party platforms, databases, and e-commerce services.
- Model and manage relational databases (SQL/PostgreSQL) and write efficient queries to support application state, user data, and backend storage needs.
- Translate Figma designs into responsive, cross-browser frontend user interfaces using modern HTML5, CSS3, and modular Angular components.
- Collaborate with cross-functional teams in daily Agile stand-ups and code reviews to debug production issues and deliver features on schedule.
- Manage code deployments and versioning with Git, utilizing feature branching strategies and assisting with CI/CD build pipelines.

Stockperson / Cashier | Walmart | Calgary, AB Apr 2023 – Dec 2024

- Managed high-volume cash transactions and assisted customers at self-checkout stations, resolving system errors quickly and efficiently.
- Maintained inventory accuracy through organized stocking, truck unloading, and warehouse management.
- Delivered strong customer service in a fast-paced environment, handling inquiries and supporting store operations.
